April 2010 Issue 4

March has been busy at the Sprinkler Factory! All the artists have been very busy working on exciting projects so they can get ready for you to be able to purchase gifts for the upcoming holidays: Easter, Mothers day, weddings and graduations! So don't forget to visit us on the first Saturdays of each month to see what the artisans have for those special people on your list. The next open studio is April 3<sup>rd</sup> from 12-4. You will also be able to see the artists working in their studios and you can see how your gifts are being produced the way things used to be!!

Don't forget to see the show in the gallery "More than Clothe" which runs until the end of March! The last weekend is March 27<sup>th</sup> and 28<sup>th</sup> from 12 to 4 PM. It is an introduction to the fiber arts community that is growing in Worcester. People who have seen the show have been in awe of the talent that is Worcester.

Remember to enter "Symbiotic Relationships- Inspiration Drawn from The Sprinkler Factory" a show that is going to be put on by the newly formed Artists Group . Worcester has a rich past and the Artists Group would like to celebrate both the past and the future by asking Worcester artists to give their impressions of the the Sprinkler Factory or the artists who reside there. Deadline for entries is May 11, 2010. See our website [www.sprinklerfactory.com](http://www.sprinklerfactory.com) for more details!
